Targus

Product Specification Sheet

Targus 15.6-inch Backpack

Part #: TSB158EU

Product Description:

The Targus 15.6" Crave Laptop Backpack is designed to protect up to 15.6" widescreen laptops. Inspired by outdoor apparel, the Crave backpack is made of durable weather-resistant material which has been abrasion tested for durability and features a stain-guard coating to protect its surface. Double foam padding lines the laptop compartment to provide an extra layer of cushioning for shock absorbency, while the soft, scratch-resistant interior lining keeps the laptop free from dust or scratches. Special details on the back panel include mesh fabric which provides air ventilation, a heavily cushioned back panel for added comfort and contoured shoulder straps for ergonomic support. The Crave backpack is a comfortable and durable option for school or travel.

Product Features and Specifications:

- Protection – Designed to protect up to 16" widescreen laptops
- Organisation – Zippered side compartment to store a power adapter or other accessory items
- Material – Constructed of durable, water and stain-resistant nylon material with scratch-resistant microfiber interior
